Early Literacy Tip

Nonfiction, fact-based books are particularly helpful for babies as they begin to attach words to everyday objects. Take the learning further by finding a real-life object from a book and showing them. By doing this, you are helping them realize that pictures represent real things.

Mark off a paw print every time you and your child read or listen to a book together. Return your completed sheet to any Lorain Public Library location to get your next sheet and a sticker!
