Early Literacy Tip

When you ask open-ended questions like "What do you think will happen next?" or "Why do you think the character felt that way?" you invite your child to express their thoughts, make predictions and explore ideas more deeply. These conversations help build vocabulary and comprehension.

Visit us at LorainPublicLibrary.org

Mark off a paw print every time you and your child read or listen to a book together. Return your completed sheet to any Lorain Public Library location to get your next sheet and a sticker!
