**Early Literacy Tip**

Talk to infants and children as much as possible. The conversations can be about anything, including feelings. It is also important to allow children to talk about what interests them. Create conversation opportunities daily.

Visit us at [LorainPublicLibrary.org](http://LorainPublicLibrary.org)

Mark off a paw print every time you and your child read or listen to a book together. Return your completed sheet to any Lorain Public Library location to get your next sheet and a sticker!
