

Avon Library Branch Expansion

Sidewalk Superintendent | April 2022

Project summary

Construction on the Avon Branch expansion project is well underway. The project includes renovations and a 16,000 SF addition to accommodate a reading garden, drive-up window, expanded meeting rooms, technology upgrades and a dedicated space for children and youth programming. Construction will continue into fall of 2022.

The latest news

A lot of progress has been made:

- Completion of structural steel
- Trusses installation on the North and South additions
- Metal decking on the South addition is almost complete
- Excavation for the new parking lot began at the end of the month (the main parking lot will be closed, and parking will be on Harvest Drive)

What's to come in April

- Roofing will start on the South addition
- Exterior sheathing of the South addition
- Underground retention system in the existing parking lot

Project communications

Throughout construction a monthly sidewalk superintendent will be published on the Avon Branch update website. Check the site monthly for the latest news on the project!

While we strive to keep the library open during construction, we may have to close or adjust the schedule for safety purposes throughout the project.
