

Avon Library Branch Expansion

Sidewalk Superintendent | August 2022

Project summary

Construction on the Avon Branch expansion project is well underway. The project includes renovations and a 16,000 SF addition to accommodate a reading garden, drive-up window, expanded meeting rooms, technology upgrades and a dedicated space for children and youth programming. Construction will continue into fall of 2022.

The latest news

A lot of progress has been made:

- South addition parking lot curbs and sidewalks were poured, and asphalt was placed
- South addition bathrooms are nearly complete
- South addition drywall and finishing is complete
- Final paint for the south addition has started
- South addition doors and hardware are being installed
- North addition exterior framing and sheathing is complete
- North addition interior framing is complete

What's to come

- Completion of the south addition flooring
- Installation of the front entrance curtain wall
- Completion of mechanical, electrical, and plumbing finishes
- Completion of the south addition interior millwork
- Mechanical equipment startup

Project communications

Throughout construction, a monthly sidewalk superintendent will be published on the Avon Branch update website. Check the site monthly for the latest news on the project!

While we strive to keep the library open during construction, we may have to close or adjust the schedule for safety purposes throughout the project.
