Page 3 – Adopted by The Lorain Public Library System Board of Trustees April 2014

**A. Medical Insurance**

1. The Library will make available a health care program for which full-time employees, and part-time employees who are authorized in writing and regularly assigned (on a mandatory basis) to work at least thirty (30) hours per week, may apply. The Library will not offer part-time employees extra hours solely for the purpose of making them eligible for health care coverage. An employee working at least thirty (30) hours per week, but less than 38, is eligible for single coverage only.
2. From July 1, 2012 forward, the Library will offer all exempt employees eligible under Section 1 above insurance coverage through a plan of its choosing.

3. Employees participating in the plan will contribute toward the payment of premiums on the following basis, twenty percent (20%) of the premium for employee only coverage and twenty-five percent (25%) of the premium for all other coverages.

   (a) Employee health contribution payments shall be made through biweekly payroll deductions and shall not exceed two pays per month.

   (b) Full Time employees eligible for health care coverage who elect at the annual enrollment period to waive health care coverage shall receive an annual payment of $500 during the last month of that health plan fiscal year. The election must be made in writing to the Administration Office no later than forty-five (45) days before the health plan fiscal year begins, or such other time as the Library may require. For example, if the health plan year begins on July 1, 2011, election to waive coverage must be made by May 15, 2011, and the annual payment will be made during June 2012. New hires will not be eligible to elect a waiver bonus until the first annual enrollment period designated by the carrier after the date of employment of such new hires. The waiver shall be payable by direct deposit.

A. INSURANCE

1. The Library will make available a health care program with employee only, employee/spouse, employee/children, and family coverage options, for which full-time employees may apply. The Library will make available a health care program with an employee only coverage option for which part-time employees who the Library is statutorily required to make available health care coverage may apply. Part-time employees who become eligible for health care coverage will remain eligible for coverage for only so long as the Library is statutorily required to make available health care coverage to them.

2. The Library will offer all non-bargaining unit employees eligible under Section 1 above insurance coverage through a plan of its choosing. The Library will consider the recommendations of the Healthcare Committee.

3. Employees participating in the plan will contribute toward the payment of premiums on the following basis, twenty percent (20%) of the premium for employee only coverage and twenty-five percent (25%) of the premium for all other coverages, not to exceed the following caps:

   a. The monthly coverage contribution for a full-time employee whose most recent date of hire is before April 1, 2014, will not exceed the percentages of the employee’s gross amount of monthly compensation by fifteen percent (15%) from April 1, 2017 through March 31, 2020. For this purpose, gross amount of monthly compensation will mean the employee’s current hourly rate multiplied by 1,976 hours and divided by twelve (12).
Special Business Continued (Resolution 2017-047):

b. Part-time employees eligible under Section 1 above electing employee only health care coverage will contribute toward the payment of premiums on the same basis as described above, as permitted by law. In addition, eligible part-time employees may elect employee/spouse, employee/children, or family coverage, but they will be charged the difference between the full premiums for the option they select and the Library’s employee only coverage option plus their contribution for the Library’s employee only coverage. For example, if the Library’s employee only coverage option has a full premium of $1,000 per month and the Library’s family coverage option has a full premium of $3,000 per month, an eligible part-time employee selecting the Library’s family coverage option would pay the difference between the Library’s family and employee only coverage options, or $2,000 per month, plus 20% of the Library’s employee only option, or $200 per month, for a total contribution of $2,200 per month.

c. Employee health contribution payments shall be made through biweekly payroll deductions, and shall not exceed two pays per month.

d. Full-time employees eligible for health care coverage who elect at the annual enrollment period to waive health care coverage shall receive an annual payment of $500 during the last month of that health plan fiscal year. The election must be made in writing to the Administration Office no later than forty-five (45) days before the health plan fiscal year begins, or such other time as the Library may require. For example, if the health plan year begins on July 1, 2017, election to waive coverage must be made by May 15, 2017, and the annual payment will be made during June 2018. New hires will not be eligible to elect a waiver bonus until the first annual enrollment period designated by the carrier after the date of employment of such new hires. The Library will process health care waivers as a separate pay.

e. Nothing in this Section shall be construed to relinquish, restrict, or otherwise limit the Library’s rights, entitlements, and obligations under the federal Patient Protection and Affordable Care Act, or any other federal or state law.
