

CREATE space

Visit LorainPublicLibrary.org to view recommended resources or to register for the 101 programs offered for specific machines once the Create Space opens.

Use [#CreateSpaceMade](https://twitter.com/#!/CreateSpaceMade) to showcase your finished projects!

The Create Space in the North Ridgeville Branch will be available to patrons ages 13 and older. An adult must accompany users ages 13 to 17 at all times.

OUR MACHINES: What are they and what do they do?

Laser Engraver/Cutter
Laser cut and engrave creations from wood, acrylic, fabric, paper and more.

Sublimation Printer
Create heat transfer sheets for application to coasters, koozies, mouse pads, clothing and poly products.

Embroidery Machine
Create custom embroidered garments and textiles on the 10-needle professional machine.

Heat Press
16" x 24" heat press with pressure sensor for various heat transfer application processes.

3D Printer
Design and submit 3D print files for prototyping and for fun!

Cricut
Cut a variety of materials on the 12" x 12" cutting mat.

CNC Machine
Desktop milling machine for rapid prototyping.

Sewing Machine
Heavy duty sewing machine for multi-purpose use.

Long Arm Quilting Machine
Create beautiful free-motion stitches by hand or automated.

3D Scanner
Scan objects and submit 3D replications for printing.
