

Avon Library Branch Expansion

Sidewalk Superintendent | *December 2021*

Project summary

Construction on the Avon Branch expansion project is well underway. The project includes renovations and a 16,000 SF addition to accommodate a reading garden, drive-up window, expanded meeting rooms, technology upgrades and a dedicated space for children and youth programming. Construction will continue into fall of 2022.

The latest news

November's work has focused on the largest new addition area to the south of the existing building. New foundations are in place which allows underground utilities to begin.

What's to come in December

- Underground power and plumbing installation will continue at the south addition
- Ground preparation and foundations for the north addition will begin
- New waterline installation at Harvest Drive
- Material deliveries are on track for the new additions

Project communications

Throughout construction a monthly sidewalk superintendent will be published on the Avon Branch update website. Check the site monthly for the latest news on the project!

While we strive to keep the library open during construction, we may have to close or adjust the schedule for safety purposes throughout the project.
