

Avon Library Branch Expansion

Sidewalk Superintendent | January 2022

Project summary

Construction on the Avon Branch expansion project is well underway. The project includes renovations and a 16,000 SF addition to accommodate a reading garden, drive-up window, expanded meeting rooms, technology upgrades and a dedicated space for children and youth programming. Construction will continue into fall of 2022.

The latest news

December saw work continue the south addition. We reached two important milestones for the project:

- Our first concrete floor pour
- Installation of the new power transformer

What's to come in January

- Sanitary line installation for the north addition
- Continued foundation installation
- Steel is currently in fabrication and is expected to start erection in late January

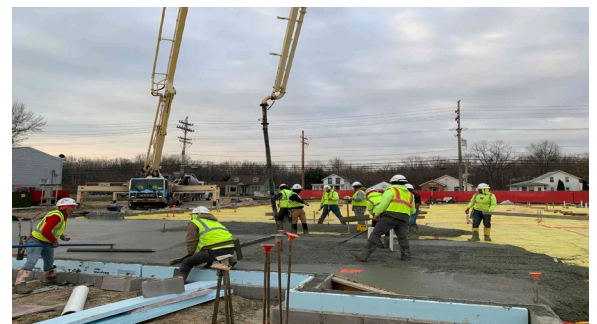

Project communications

Throughout construction a monthly sidewalk superintendent will be published on the Avon Branch update website. Check the site monthly for the latest news on the project!

While we strive to keep the library open during construction, we may have to close or adjust the schedule for safety purposes throughout the project.
