

# Avon Library Branch Expansion

Sidewalk Superintendent | June 2022

## Project summary

Construction on the Avon Branch expansion project is well underway. The project includes renovations and a 16,000 SF addition to accommodate a reading garden, drive-up window, expanded meeting rooms, technology upgrades and a dedicated space for children and youth programming. Construction will continue into fall of 2022.

## The latest news

A lot of progress has been made:

- Completion of the spray foam for the interior spaces in the South addition
- Start of drywall for the interior spaces in the South addition
- Started exterior sheathing of the North addition
- Completion of roof decking, blocking and roof underlay on the North and South addition

## What's to come

- Base asphalt course for library parking will be placed
- Completion of South addition brick veneer
- Completion of South addition metal roofing
- Start of interior finishes at the South addition

## Project communications

Throughout construction, a monthly sidewalk superintendent will be published on the Avon Branch update website. Check the site monthly for the latest news on the project!

*While we strive to keep the library open during construction, we may have to close or adjust the schedule for safety purposes throughout the project.*

Completion of Northeast retention system

Installation of circulation desk ceiling framing

Spray foam and drywall for the South addition
