

RECOGNITION **OPPORTUNITIES**

**AVON BRANCH
LIBRARY**

THE LORAIN PUBLIC LIBRARY'S AVON BRANCH BUILDING PROJECT HAS BEGUN!

The 10,000 square foot library built in 1996 is undergoing expansion and renovation to create a new 26,000 square foot facility with many new services for the public. The planned opening is late fall 2022.

By supporting an area of the library, you will ensure that the building has the features and technology the community needs. Included is a list of recognition opportunities, with detail pages for some of the new and innovative spaces that will be featured in the Avon Branch.

READING GARDEN

\$100,000

A comfortable, lush outdoor oasis in which to relax away from everyday distractions. A separate gated children's garden for outdoor reading and programs.

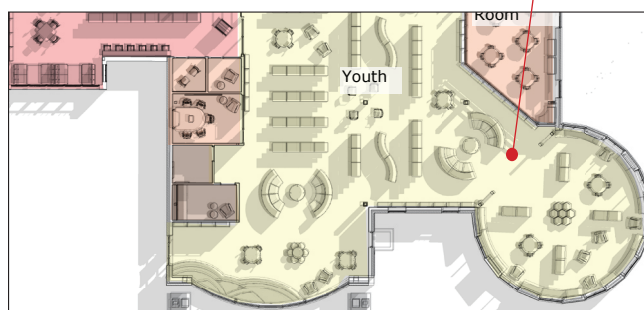

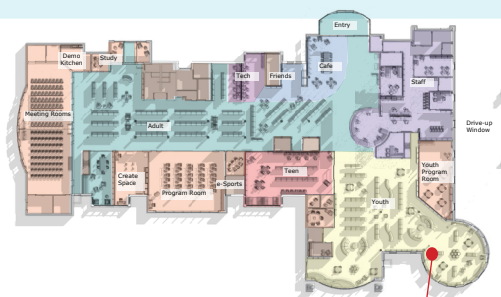

CHILDREN'S INTERACTIVE PLAY AREA

\$100,000

Nature themed design elements will encourage reading and exploration and include an interactive storytelling area.

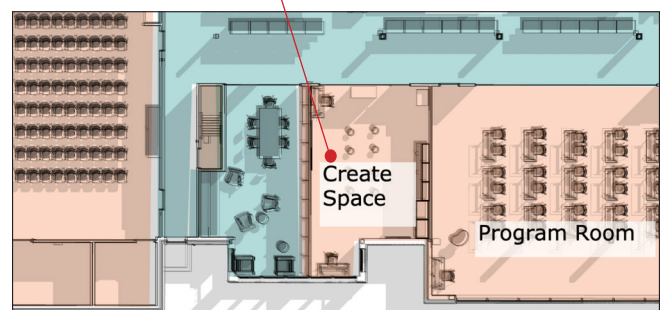

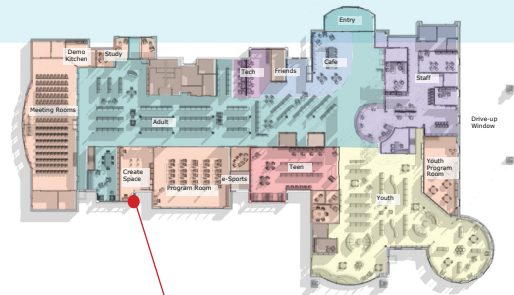

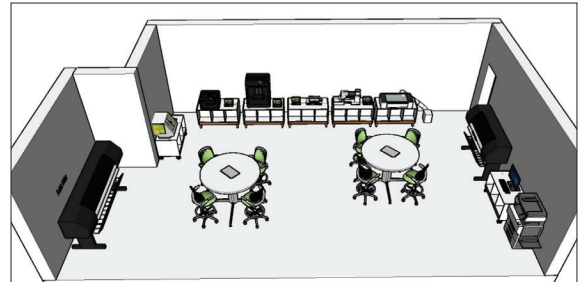

CREATE SPACE

\$50,000

Typical Create Space equipment can include:

- Handheld 3D scanners
- Large, industrial grade 3D printer
- Smaller volume 3D printer
- An accessory that enables printing in multiple colors
- Cricut brand vinyl cutter
- CNC cutter machine
- Sewing machine for embroidery
- Glowforge Pro laser engraver
- Large- scale Epson printer for banners
- Fabric printer
- Large format wireless plotter printer

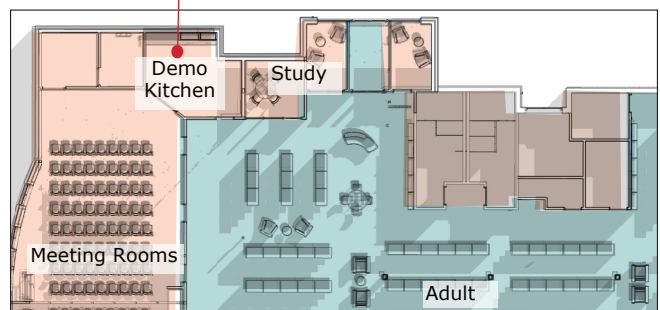

DEMONSTRATION KITCHEN

\$30,000

Similar to this Culinary Literacy Center at the Main Library.

A demonstration kitchen attached to the large meeting room will provide opportunities for culinary literacy programs for children, teens and adults and enable food service for events in the meeting room as needed.

ESPORTS LOUNGE

\$20,000

Wikipedia defines Esports as “a form of competition using video games. Esports often takes the form of organized, multiplayer video game competitions, particularly between professional players, individually or as teams.” The Avon Branch will have six systems, each with a computer, monitor, keyboard, mouse and headset, and gaming chair.
