

Avon Library Branch Expansion

Sidewalk Superintendent | November 2022

Project summary

Construction on the Avon Branch expansion project is well underway. The project includes renovations and a 16,000 SF addition to accommodate a reading garden, drive-up window, expanded meeting rooms, technology upgrades and a dedicated space for children and youth programming. Construction will continue into the winter of 2022.

The latest news

A lot of progress has been made:

- Mechanical, electrical and plumbing rough-ins for the north internal walls is complete
- Setting of the north side mechanical units
- Completion of the building masonry
- Completion of the site underground work
- Installation of new asphalt shingles

What's to come

- Installation of the exterior metal wall panels
- Completion of the site concrete including sidewalks
- Installation and finishing of the interior drywall
- Interior painting
- Placing of the remaining asphalt parking lot

Project communications

Throughout construction, a monthly sidewalk superintendent will be published on the Avon Branch update website. Check the site monthly for the latest news on the project!

While we strive to keep the library open during construction, we may have to close or adjust the schedule for safety purposes throughout the project.
