

Avon Library Branch Expansion

Sidewalk Superintendent | October 2022

Project summary

Construction on the Avon Branch expansion project is well underway. The project includes renovations and a 16,000 SF addition to accommodate a reading garden, drive-up window, expanded meeting rooms, technology upgrades and a dedicated space for children and youth programming. Construction will continue into the winter of 2022.

The latest news

A lot of progress has been made:

- The south addition of the library, including the parking lot are now open
- Interior demolition of the existing library is now complete
- Interior wall framing of the north addition and existing library are complete

What's to come

- Mechanical, electrical and plumbing rough-in for the north interior walls
- Setting the north side mechanical units
- Completion of the building masonry
- Completion of the site underground work
- Completion of the site concrete including sidewalks

Project communications

Throughout construction, a monthly sidewalk superintendent will be published on the Avon Branch update website. Check the site monthly for the latest news on the project!

While we strive to keep the library open during construction, we may have to close or adjust the schedule for safety purposes throughout the project.
