#2013-014 Approval of Chief Fiscal Officer’s (CFO’s) Report

Mr. Kovach moved, Ms. Hatch seconded that the CFO’s Report for the month ending January 31, 2013 be approved.

Mr. Wilson reported to the Board that the month end cash balance for January was $8,622,325. Of the month end cash balance, $5,422,378 were operating funds, of which $3,891,348 were unencumbered. Year-to-Date Revenues were $322,541, 3.6% of the estimated $8,840,616 Annual Revenues without transfers or advances. Expenses year-to-date were $571,333, 5.6% of the budgeted $10,163,232. Expenses plus encumbrances totaled $3,418,908 or about 33.6% of the budget.

Mr. Wilson thanked everyone for coming and introduced Clerk Carol Russo and Administrative Clerk Debbie Leyva who are taking minutes of tonight’s meeting, as a part of their training. He stated that Debbie Leyva has replaced Maureen Turner in the position of Administrative Clerk, Central Supply, and that Debbie will be helping in Administration until a new Administrative Aide is hired.

Mr. Wilson received one letter of correspondence from Ms. Chris Pyanowski, Assistant County Prosecutor, regarding Lorain Public Library System’s Social Media Policy Review. One letter of correspondence was also received from the Ohio EPA about the
waste water not being in compliance at the Columbia Branch Library. The Library has forwarded the information to the Columbia Township Trustees. Mr. Kovach suggested to Ms. Eldridge that she might want to get together with the Trustees or go to one of their meetings. Ms. Eldridge will schedule a meeting with the Trustees. A third piece of correspondence also received from a Girl Scout who wanted to sell Girl Scout Cookies at the Main Library. Ms. Eldridge will contact the Girl Scout and inform her that we will not be able to honor her request.

Mr. Wilson received a thank-you letter from the Government Accounting Standards Board (GASB), thanking him for his input on a new change that will require the Library to report unfunded pension/liabilities from OPERS, on the Library’s financial statements. Under the new standards, the Library and other public entities will be required to report their share of unfunded pension liabilities that are attributed to OPERS members who have service time attributed to that particular public employer. Mr. Wilson had written to the GASB with his concerns that the State of Ohio mandated the retirement system, established the mandatory contributions, and retained sole control over the investment and actuarial functions of the pension fund. As such, it should be the full faith and credit of the State, and not the political subdivisions, that should reflect any liability for unfunded pension liabilities. This requirement for public employers to recognize and report the unfunded liabilities of OPERS could lead to higher borrowing costs for the Library and other political subdivisions.

Mr. Wilson announced that Don Norman, Deputy Fiscal Officer, will be retiring in April and that he is already in the works of trying to find a replacement. Mr. Wilson also commented that Debbie Leyva replaced Maureen Turner as Administrative Clerk and that the hours for the position had been reduced from 30 to 29 hours.

Mr. Wilson welcomed two new Board Members, Ms. Hatch and Ms. Novak.

Ms. Eldridge mentioned that Governor Kasich is planning to unveil his 2013-2014 Budget. It is supposed to include sweeping tax reform legislation. Ms. Eldridge will send the link that is available to all Board Members.

OLC’s Annual Legislative Day is scheduled for Wednesday, March 6 with registration and opening session at the Westin Hotel in Columbus. There will be a 29 passenger coach leaving from Lorain County.

OLC’s New Trustees Workshop had been scheduled for Saturday, March 23 at the Westerville Public Library. Ms. Eldridge mentioned that this would give Ms. Hatch and Ms. Novak information they need, and will register them.

The 2013 OLC Trustees Dinner, Northern Ohio, will be held April 17th at the Holiday Inn in Independence. Ms. Eldridge can register all interested Board Members.

Ms. Eldridge announced tentative Board Retreats for March or April, 2013. Likely hours of the meetings are 9:00 a.m. to 2:00 p.m. on Saturday. Saturdays currently open on Agon Leadership’s calendar: March 2, 23; April 13, 27.

Ms. Hayes commented there were 16 featured stories in January, and 9 in February. The South Branch Library’s MLK program was featured on Channel 5 News. The Morning Journal also had write ups on story times and a video clip. Channel 19 News featured a quick story in February on tax preparation at the Main Library.

Regarding personnel, Ms. Eldridge noted the passing of Veronica Parker, the new Outreach Services Librarian Supervisor. Ms. Eldridge said there is a memorial fund for donations through the LPLS Foundation, Inc.

Regarding facilities Ms. Eldridge mentioned new security cameras will be installed at the Main Library. Ms. Novak questioned Ms. Eldridge about the security cameras, as to whether they were going to be intrusive or not. Ms. Novak said she didn’t want patrons to feel like they were being spied on. Ms. Eldridge assured Ms. Novak that the cameras would not be intrusive, that they would be placed strategically and that she would do a walk through with the LPD to make certain. Mr. Campana added that maybe we should have a policy or procedure put in place. Ms. Eldridge also added that the Lorain Police will be making a bigger presence at the Main Library by parking in front of the library, instead of in the side lot. Ms. Eldridge is also planning to make it a non-smoking area around the library, to hopefully discourage some of the homeless and people who loiter at the front of the library.

Ms. Eldridge mentioned a statistical correction for the Domonkas Branch Library. The people counter was off a bit at the Domonkas Branch Library and will be corrected for the months of November and December, 2012.

This is a new electronic resource to offer to the public and the benefits of the services are more than one person can check out any one title at the same time, and the subscription doesn’t reside in the computer itself but rather in an information cloud waiting to be opened at any time. The cost for this subscription is $6,000 per year for the platform, plus the cost of subscription titles.
