### Report of the Director

Ms. Eldridge said, “Good evening, and welcome to South Lorain. It’s a beautiful day to be inside.”

Regarding the Main Library renovation, Ms. Eldridge stated that the work should be completed by the end of August, and that the public seems happy with the changes so far.

Ms. Eldridge said that several weeks ago a Federal District Judge (James Carr), issued a ruling that suggested that County Prosecutors are not the legal counsel for public libraries. Ms. Eldridge informed the Board that having to hire an attorney to deal with issues concerning the public, would raise the library’s legal fees. She also said that OLC is working with Representative Murray to introduce legislation that would clear up the concerns raised by Judge Carr.

Ms. Eldridge told the Board that the State Auditor has been raising concerns about public library compliance with ORC 1347. ORC 1347 deals with policies regarding the sharing of personal information. The State Auditor advises that libraries should make certain to have policies in place, that deal with Sec. 1347.05 (A) – (H).

Reporting on personnel, Ms. Eldridge gave her sincere thanks to all staff, Board Members and volunteers who helped with the outdoor festivals and parades so far this summer. She then thanked the Maintenance and Technology Departments, who moved the Operations Staff to a temporary location during the library’s renovation. Ms. Eldridge also thanked the Board for allowing her to attend the ALA Annual Conference. She said that it was an amazing conference, that she learned a lot, met many people, and that it was a very rewarding experience for her as a professional librarian.
Ms. Eldridge mentioned these past and upcoming networking and community events, library programs and community relations:

- **07.20.10** – The Lorain Palace Civic Theater donated 1,000 tickets for the July 20th showing of the movie, ‘Where the Wild Things Are’.
- **08.23.10** – Lorain County Fair Breakfast.
- **08.28.10** – LPLS day at the fair.
- **09.24.10** – Candidate’s Breakfast at the Oberlin Public Library.

Speaking on statistics, Ms. Eldridge noted to the Board that the Year-to-Date circulation statistics were down 5.71%, and that the visitor counts were down as well. Although this is true, there was no decrease at either Columbia or Main, and there was an increase in CLEVNET sent and received. She also noted that the AV circulation is higher than the Printed circulation, and that this trend will continue.

**Report of the Assistant Director**

Ms. Whitney said good evening, and welcome to South Branch Library. She then thanked Ms. Norma Preston, South Branch Librarian Supervisor, for hosting.

Ms. Whitney thanked Ms. Sandra Mitchell, Columbia Branch Librarian Supervisor, for organizing and being in the Columbia Homecoming parade with the Whiz Kids on June 27th. Their float won “Best Float” in the parade, for which they won a $50 prize, and Ms. Whitney commented what a huge undertaking it was. Ms. Whitney also thanked Pam Coleman, President of the Columbia Friends, for her coordinating of events for the Festival of the Arts, Columbia Homecoming and the Columbia Library Flea Market. Ms. Whitney then thanked Yard Smart for their pro-bono spring clean up of the landscaping at Columbia Branch Library.

Ms. Whitney thanked Doug and Kathy Petersen, and their granddaughters for participating in the annual Avon Duct Tape Parade.

Ms. Whitney informed the Board that she had received a call from Mr. Doug Warren, from the S.E.I.U. District 1199, and also met with Ms. Isabelle Wimmer, to discuss protocol regarding management relations and communications.

Ms. Doris Garber, Technical Services Public Coordinator, said, “Hello, I am the head of TSD. Most of you visited the new space on Detroit Road last year, but if you haven’t, please do so”. Ms. Garber stated that US Cargo deliveries have increased at the new TSD location, and she expects a continued increase. Ms. Garber then discussed some up and coming library innovations; 1) Library Media Box-can check out DVD’s, 2) Media Bank-can borrow and place holds on materials through this, 3) Library Mate-used in the Netherlands, is very limited and is for smaller populations, and 4) Book Bank-looks like a vending machine, can pick up and return books and AV materials from this. Ms. Garber recommended waiting at least until 2nd or 3rd generation models of these machines, and also said that they are currently very expensive.
Ms. Norma Preston, South Branch Librarian Supervisor, welcomed all to the South Branch Library. Ms. Preston said that the South Branch Library would be hosting Mr. Jon Loufman, weatherman of Channel 19, for an afternoon. Ms. Preston said that the South Branch Library will be having a Hispanic Heritage Festival during the month of August, to celebrate Hispanic Heritage Month.
