#2010-092 Approval of Fiscal Officer’s Report

Mr. Kovach moved, Mr. Petersen seconded that the Fiscal Officer’s Report for the month ending August 31, 2010 be approved.

Mr. Wilson reported to the Board that the month end cash balance was $8,138,053. Of the month end cash balance, $3,415,208 were operating funds, of which $2,628,627 were unencumbered. Year-to-Date Revenues were $5,748,191, 67% of the estimated $8,540,043 Annual Revenues without transfers or advances. Expenses year-to-date were $6,070,980, 53% of the budgeted $11,431,791. Expenses plus encumbrances totaled $7,556,526, or about 66% of the budget.

Mr. Wilson stated that there were no public records requests, nor communications.

Mr. Wilson said that he had attended the Lorain County Budget Meeting, where they approved the 2011 PLF Distribution Formula.
Mr. Wilson informed the Board of several items that were added to this evening’s agenda: # 2010-098, # 2010-099 and # 2010-100.

Mr. Wilson reported that he has been working on the 2011 budget projections, and also working with Ms. Eldridge and Ms. Whitney on the upcoming State of the Library Addresses.

Finally, Mr. Wilson noted the upcoming Rotary Trivia Contest, to be held on November 12, 2010.

Roll Call: yes, unanimous

Report of the Director

Ms. Eldridge said good evening and welcome to Avon Branch Library.

Regarding PLF distribution, Ms. Eldridge stated that the September distribution was 6.4% higher than the September 2009 distribution, and 1.1% higher than the Ohio Department of Taxation’s (ODT) projection for the month. Although this is true, the overall year-to-date distribution as compared to 2009, is 9.9% lower, but just 0.8% lower than ODT’s YTD projection.

Ms. Eldridge informed the Board that the church on Reid Avenue, across from the Main Library, has found a buyer! She appropriately commented, ‘Hallelujah!’.

Ms. Eldridge apprised the Board of two local potential issues that could affect the library;  
1) Amherst Public Library (APL) is placing a bond and a levy issue on the November election ballot. The APL is trying to pass an $11M bond, to add on to their existing library. Ms. Eldridge said there may be residents in the City of Lorain paying for a library that they don’t use.  
2) A possible dispute could arise between Grafton Public Library (GPL) and Elyria Public Library (EPL), as some residents will be taxed twice for library services, because they live in an area where both GPL and EPL have both passed levies. Ms. Eldridge requested that the Grafton and Elyria Boards of Trustees sit down and discuss this matter. Her concern is that a dispute could jeopardize PLF monies received from the State of Ohio and draw unfavorable publicity for public libraries in Lorain County.

Ms. Eldridge then thanked the Maintenance and Technical Services departments, as well as the LPLS staff, for their patience during the renovation of the Main Library. She also commented that the entire staff has shown much fortitude and resilience, during the work, which is almost complete.
Ms. Eldridge thanked the Children’s Department at the Main Library, the Branches and the Outreach staff, for a wonderful Summer Reading Program.

Ms. Eldridge mentioned these past and upcoming networking and community events, library programs and community relations:

- **09.18.10** – NAACP Freedom Fund Banquet
- **09.24.10** – Candidate’s Breakfast Forum. Board Members Tony Campana, Jodi Penwell and Homer Virden have all confirmed attendance.
- **09.28.10** – Staff Appreciation Day, to be held at the Main Library.
- **10.14, 15, 27.10** – State of the Library presentations. 3 or 4 Board Members have confirmed attendance thus far.
- **11.06.10** – El Centro Gala.

Regarding statistics, Ms. Eldridge said that the Outreach numbers are lower than other departments, due to the fact that they are only open 4 days per week. She also noted that the ILL’s, both sent and received are down. She attributed this to either having enough materials available locally, or that it takes too long to get the materials off the wait list, and people are going elsewhere.

In closing, Ms. Eldridge said that she feels somewhat behind the eight ball with staff ‘buy in’ regarding the upcoming State of the Library presentations, since they were not informed before going to the public. She prefers that staff was told before the public, to reassure the staff that their sacrifices were appreciated, and that it helped cut our operating expenses.

**Report of the Assistant Director**

Ms. Whitney said good evening to all, and thank you for attending tonight.

Regarding the recent installation of lettering over the bulletin board at the North Ridgeville Branch Library, Ms. Whitney thanked both Brian Bartlebaugh and Ted Smith, from the Maintenance Department. She said that both she and Mr. Bartlebaugh came up with the design. Mr. Bartlebaugh suggested the paint, while she suggested the wood that borders the area. Mr. Smith helped with both the painting and the wood installation.

Ms. Whitney then thanked the IT Department, for their installation of PC Reservations software, at both the South and Avon Branch Libraries.

Ms. Whitney reported to the Board that the recent Lorain County Fair Booth was a great success. The paid attendance at the fair (27,677) for Saturday, was the highest since 1999. She thanked Dale Girt, Brian Bartlebaugh and Ben Bonaminio of Maintenance, for helping with the delivery and set up. She also thanked Terri Frederick for coordinating
the items for distribution. Ms. Whitney then thanked Karlyn Chilenski, Sophie Walters, Liz Cupp, Sara Lewis, Maureen Turner, Jennifer Hirth, Jennifer Schnoering and Joel Riedy for greeting fair goers and distributing over 7,000 items.

Ms. Whitney said that the Main Library will be re-opening on Sundays, starting October 3rd. She thanked both Debra Jackson and Karen Sigsworth for staff schedules coordination.

Ms. Whitney stated that she has been busy working on the Communications Plan, with Joanne Eldridge, Terri Frederick, Jim Wilson and Bob Sajack; and has also been serving on the Strategic Planning Committee.

Ms. Whitney thanked Ms. Norma Preston, South Branch Librarian Supervisor, for allowing Joanne and her to host the recent LCLAC meeting at the South Branch Library.

Ms. Whitney commended the Columbia Branch Library for their statistical numbers being in the black for the last few months and attributes these increases to the restoration of hours.

Regarding upcoming events, Ms. Whitney mentioned that there will be a New Staff Orientation on November 11, 2010. She also said she is looking forward to the Friends Exchange, to be held this coming Saturday at the North Ridgeville Branch Library.
