**Report of the Director**

Ms. Eldridge said good afternoon and welcome to the Columbia Branch Library.

Ms. Eldridge received emails from Doug Evans and Linda Murray of the Ohio Library Council (OLC), with information regarding the recently held Local Government Reform & Collaboration Meeting. There is a webcast available online, and the nine major recommendations to libraries are as listed:

1) Constant monitoring of information provided by OLC regarding financial information.
2) Proactively reviewing staffing needs and tasks.
3) Directors and Trustees need to be cognizant of the risk of staff burnout and reduced morale, since most libraries are now operating with reduced staff.
4) Carryover equal to six months operating expenses is prudent.
5) Preservation of materials budgets is essential. OLC recommends 20% of operating budget allocated to materials.
6) In-depth evaluation of space and space needs.
7) Energy audits of facilities.
8) Good relationships with neighboring libraries.
9) Libraries must always remain patron-centered.

Regarding the PLF funding, Ms. Eldridge noted that due to the continued funding of OPLIN and the Library Services to the Blind & Disabled, with no reimbursements from the General Revenue Fund, the PLF continues to be decreased by 1.5%.

Ms Eldridge stated the Senate Bill 120 unanimously passed, and libraries are pleased. The bill allows for libraries to not be forced into having an attorney on retainer, and incurring those fees.
Regarding OPERS, Ms. Eldridge said recent new regulations impact us negatively. Twenty nine LPLS employees are affected by the change. Ms. Eldridge is also concerned about the long term solvency of OPERS.

Ms. Eldridge thanked Library Assistant Lisa Work, for representing the library at the El Centro Garden Party on May 28, 2011. She also gave many thanks to staff who worked at the Summer Reading Kickoff, which Ms. Eldridge said was ‘beautiful, a steady crowd, and wonderful’.

Ms. Eldridge mentioned the fundraising opportunity for the Foundation of the Lorain Public Library System, with the Rock Pile Garden Center in Avon. Rock Pile will donate 5% of any purchases, when the Foundation of the Lorain Public Library System is mentioned.

Ms. Eldridge mentioned these past and upcoming networking and community events, library programs and community relations:

05.23.11 – N.A.A.C.P. Membership Luncheon. LPLS is a lifelong member.
06.03.11 – Dale Girt, Toni Whitney and Ms. Eldridge visited the Technical Services Storage Facility, where Columbia Branch Library’s materials, shelving and furniture, are being stored.
06.10.11 – U.S. Post Office hearing at Brookside H.S., re: post office closing in Sheffield Lake.
06.19.11 – Juneteenth Parade
08.22.11 – Lorain County Fair Breakfast at 8 a.m. Ms. Eldridge will send email invite/reminder.
09.29.11 – Lorain County Trustees Council at 6:30 p.m. at the Spitzer Conference Center. Ms. Eldridge is presenting; topics for discussion are the Lorain County PLF distribution, and the future of the PLF.

Ms. Eldridge asked permission of the Board, to hold two committee meetings (Library Services and Personnel Committee, and the Finance, Audit and Properties Committee) in July, in lieu of a regular Board Meeting. The meeting would be held on the same date as the scheduled Board Meeting, July 21, 2011, at the South Branch Library, at 5 p.m.

Statistically speaking, Ms. Eldridge said the Domonkas and North Ridgeville Branch Libraries’ year-to-date circulation numbers are equal to last year’s, while the South Branch Library, the Bookmobile and the Main Library have increased their circulation. She also noted that visits are up at the Avon and Columbia Branch Libraries, as well as the Main Library. Meeting Room Attendance, Programs Offered, and Computer Bookings have all increased for the month of May at the Main Library, as well.

Ms. Eldridge surmises that e-Books will start affecting circulation statistics and that the library needs to get ready for this. She anticipates a need to plan for the increase.
Ms. Whitney said good evening and thank you for coming.

Concerning the SEIU #1199, Ms. Whitney updated the Board, saying there was an issue at the last union meeting regarding the step elimination of Step 1 in the wage scale, the matter has since been resolved. She also informed the Board that Ms. Shana Song resigned. James Leonard, acting interim SEIU #1199 Board Executive, said Mr. Al Bacon will be stepping in to assist the union board for a while. A Memorandum of Understanding (M.O.U), regarding the change of health care providers, was sent to the union and approved. Ms. Whitney thanked Mr. Leonard for his help to get everyone signed up quickly, and expediting the meeting, regarding the M.O.U. for healthcare changes.

Ms. Whitney thanked Ms. Jennie Patterson and the Healthcare Committee for quick work on the healthcare changes. She also noted the Guardian Vision plan was reduced by 5%, and the changes to the healthcare plan were positive for the staff.

Ms. Whitney stated she has been meeting with Ms. Frances Johnson, Outreach Librarian Supervisor, and they have made a decision to close Project L.I.T.E. (the library’s adult literacy program) two of the three days per week that it is currently open. Project L.I.T.E. will be open only one day per week, and the Project L.I.T.E. Coordinator, Ms. Elizabeth Meadows, will be retrained to work in the Outreach Department and the Main Library.

Ms. Whitney informed the Board that the Bookmobile was off the road for one day this past week, due to problems with the air conditioning.

Ms. Whitney said the replacement carpet for the Columbia Branch Library was ordered, and would be in within 4-6 weeks. She was hopeful that the carpet would be installed by the 3rd or 4th week in July.

Ms. Whitney said the Summer Reading Kickoff celebration at Lakeview Park was wonderful and a really great event!

Ms. Whitney mentioned the upcoming author visit by Mr. Terry Pluto, on August 13th at the South Branch Library. Mr. Pluto will also be visiting the other branches, and Ms. Whitney said it should be very positive.

Ms. Whitney thanked the Friends of the Lorain Library for their contributions and donations for the technology upgrades to the meeting room at the South Branch Library, which is now complete. She also thanked the Friends Groups for other donations.

In closing, Ms. Whitney said she would be attending the next Columbia Township Meeting, to discuss the storage barn.
Committee Reports

Mr. Douglas Petersen, Chair, of the Finance, Audit and Properties Committee, reported on their recent meeting, held May 19, 2011. Mr. Petersen noted that the meeting was preceded by the Auditor of State’s Post-Audit Conference, which went smoothly. Mr. Petersen then said the Columbia Branch Flood was discussed, and the 2012 Proposed Budget was reviewed, and then adopted.

Supervisors

Ms. Sandra Mitchell, Librarian Supervisor of the Columbia Branch Library, said hello and that, “I am glad that you are all here, and hope that you enjoy the refreshments, provided by the Friends of the Columbia Branch Library.”

Ms. Mitchell then described the recent flooding, and how it happened, at the library. She said the water came pouring in, she did what she could to stop it, she called all of the appropriate people, unplugged the computers, moved some furniture and then waited for help. Dale Girt, Facilities Manager, was the first to arrive to help, and they then moved as many books as possible. Eventually the crew of the service company, Belfor arrived, and proceeded to start the water cleanup. Ms. Mitchell said the incident will forever be in her mind. She also commented, “We got through it, we were able to set-up the library for re-opening quickly, and all is well.”

Ms. Eldridge suggested the September Board Meeting change its venue from the Avon Branch Library to the Columbia Branch Library so the Board can see the Columbia Branch Library after its renovation.

Mr. Campana, Board Trustee, asked Ms. Mitchell if she had received help, and/or indication of help forthcoming from Columbia Township with the backed up storm sewers which was the reason for the flooding. Ms. Mitchell indicated she had not, but that Joanne Eldridge was going to discuss this with the Township on Monday.

Ms. Garalynn Tomas, Board President, thanked Ms. Mitchell for her quick thinking regarding the flood. She told Ms. Mitchell that her actions did make a big difference and the Board greatly appreciated her efforts and all she did to save the library materials.
Ms. Mitchell then happily spoke of the Summer Reading Program and how that in spite of the flood they have 143 people signed up! They also have 56 teens signed up for the Teens Summer Reading Program. She thanked various local businesses, such as AppleBees, Malley’s, Dairy Queen, IGA and Marathon Gas, for their donations of prizes for the Summer Reading Program. She is looking forward to the Summer Reading Program. She also thanked Yard Smart for once again volunteering to trim all the library shrubs and lay mulch. She thanked Pam Coleman, President of the Friends of the Columbia Branch Library, for the mulch which was donated by North Star.
