Report of the Director

Ms. Eldridge said good afternoon and welcome to the Main Library. Ms. Eldridge thanked Mr. Campana, the Lorain Friends and Mr. Robert Wenz for tonight’s refreshments. Ms. Eldridge also thanked the Board for allowing her to take vacation recently, to visit with family in Indiana and attend a reunion in Cincinnati.

Ms. Eldridge noted the passage of SB 321, and that it was signed into law effective immediately. She recommended the library ask legal counsel to take a look at the changes and how it impacts LPLS. Although there may be some minor effect, it won’t be as large of an impact as Elyria libraries will experience.

Ms. Eldridge then told the Board about a message received from Secretary of State, Jon Husted. As of August 9th, registered voters in Ohio are now able to use an online service (MyOhioVote.com) that allows them to update their voting address online. Valerie Smith, Public Services Coordinator, has added a link to the LPLS website for easy access to this website.

Ms. Eldridge mentioned these past and upcoming networking and community events, library programs and community relations:

- **08.20.12** – Lorain County Fair Breakfast at 9:00 a.m. at the Lorain County Fairgrounds. There is one extra ticket still available.
- **09.21.12** – LCLAC Candidates Breakfast at 8:00 a.m. at the Oberlin Public Library.

Ms. Eldridge noted the handout given at tonight’s meeting of a draft document put together by Ms. Terri Frederick, Public Relations Officer. The handout outlines the key messages that had been developed for the library advocacy during the 2011 State of the Library series.
Ms. Eldridge stated she mailed correspondence on behalf of the Board to Mr. Felton Thomas, Executive Director of the Cleveland Public Library (CPL), and to Mr. Mark Riggins, library patron. The letter to Mr. Thomas was in regard to the CPL ignoring LPLS’ circulation policies, and the letter to Mr. Riggins was in regard to his expulsion from the LPLS for 1 year due to theft and continual harassment of library employees and other patrons.

Regarding personnel, Ms. Eldridge thanked Ms. Elaine Betting and the Children’s Staff for doing a fantastic job with the summer reading activities. Ms. Eldridge commented that the programs and activities had something fun for children, adults and teenagers alike. Ms. Eldridge again thanked Ms. Betting and also Terri Frederick, for representing the library at the New Teacher’s Luncheon on August 10, 2012.

Ms. Eldridge informed the Board about an article in the Morning Journal, debating on whether or not to tear down the abandoned house across the street from the Main Library.

In regard to the facilities, Ms. Eldridge said the new delivery van will be picked up any day now, by Mr. Dale Girt!

Report of the Assistant Director

Ms. Whitney said hello and that she had attended the City of North Ridgeville Parks and Recreation Stakeholder Group Discussion with Mr. Patrick Hoagland and Ms. Karen Sigsworth, North Ridgeville Branch Librarian Supervisor, on August 16th. In developing a master plan for the City Parks and Recreation, the group is curious about how the library uses their facilities and asked for the library to respond to a questionnaire. Ms. Sigsworth and Ms. Whitney created a document information packet in response. Although the library doesn’t actively use the City Parks and related facilities, there is an existing relationship of mutual interest and the benefits were discussed during the meeting.

Ms. Whitney spoke regarding SEIU #1199 highlights for the month of May:

- Notification of Office and File Cabinet relocation.
- Notification to close the Library to the public on October 10, 2012 for Staff In-Service Training.
- Memo and response to Information Request on Sick Leave Hours for Isabelle Wimmer.
- Responded to questions from individuals concerning various topics related to the CBA.
In reference to the Labor Management Committee (LMC), Ms. Whitney noted:
- No July meeting due to holiday closing.

**Audience Participation**

**Supervisors**

Mr. Robert Wenz, Technology Manager, said hello to the Board. Mr. Wenz spoke regarding the fiber optics upgrading progress at the libraries, saying it was slow but has had some movement recently. He reported that Time Warner installed fiber optic networks in three buildings and would do installation at the remaining three next week. Once complete, CLEVNET will be able to switch all traffic over. This should increase capacity by six or seven times the current capacity. He predicts the work will be done by the end of August 2012.
Mr. Wenz then spoke regarding new phone systems for both the North Ridgeville and Columbia Branch Libraries. Cisco, the market leader since the 1990's, was decided upon as the vendor of choice. Cisco uses a nationally recognized standard, which supports even the oldest IP lines and is expandable. The entry level product line which would be installed at both libraries is outlined below:

Roll Call: yeas, unanimous
#2012-077 Approval to Revise the Friends of the Library Groups Policy 1.04

Mr. Kovach moved, Mr. Virden seconded to revise the Friends of the Library Groups Policy.

FRIENDS OF THE LIBRARY GROUPS (2006-08-17) 2012-08-16 REV 1.04

The Lorain Public Library System looks upon the established groups of Friends of the Library groups as worthwhile community partnerships which will benefit the Lorain Public Library System and libraries individually and the library system collectively both individually and collectively.

All of the Friends of Library activities should support and enhance the mission of the Library as determined by the Library Director and the Library Board of Trustees. The Trustees and the Director value and encourage input and opinions of Friends, who are recognized as representatives of the community.

The leadership of the individual Friends of the Library groups should keep the Library Board of Trustees and the Library Director informed about Friends meetings, current officers, plans, and purposes. This may be accomplished through the designated Library staff liaison. The Friends of the Library should provide copies of annual financial reports to the Library Chief Fiscal Officer as soon as practicable after the end of the Friends’ fiscal year. As soon as practicable after each Friends groups’ fiscal year, copies of annual financial reports should be provided to the Library’s Chief Fiscal Officer.

Each Friends of the Library group is a distinct and separate entity from the Library Board of Trustees, and the Friends of the Library groups cannot assume the duties of Trustees.

Each Friends of the Library group is also a distinct and separate entity from the Library personnel and the Friends of the Library groups cannot assume the duties of the Library staff. Personnel matters concerning the physical plant are under the province of the Branch Librarian/Manager, Lorain Public Library System administration, and staff.

Members of the Friends groups of the Library may act individually as volunteers to help the Library. When acting in this individual volunteer capacity, the volunteer’s role and activities are under the guidance and supervision of a designated Library staff member. Though the Friends groups are separate entities, each group will adhere to the judgment of the Library Director and Library Board of Trustees to make authoritative decisions regarding Library policy and best practices.

Operating expenses of the Library are provided through allocation of public funds which are governed by regulations established by the State Auditor. Friends Funds from individual Friends groups and library funds cannot be intermingled with Library funds except through gifts to the Library for specific purposes. The Library cannot provide funds for Friends activities of the Friends groups.

Funds raised and expended by the Friends of the Library are to benefit the Lorain Public Library System, its branches, services or programs. Friends of the Library may expend funds to market and promote the Friends group in their local communities.

To the extent possible, the Library’s Public Relations Officer will assist the Friends in their public relations planning and activities. Whenever a public relations activity of the Friends requires Library involvement and participation, the Public Relations Officer will direct the activity.

Because expenditures of public funds for public relations is limited in scope by law, public relations programs adopted by the Friends will not be a part of the Lorain Public Library System’s budget.

The Library Trustees and Director encourage LPLS friends groups to work jointly and cooperatively on activities or projects that will improve and strengthen each group individually and benefit the Lorain Public Library System as a whole.

The Library will work with the Friends groups to provide space for book storage, meetings, and book sales, as space is available. Although funding may be provided by Friends groups to build or furnish such space, the dominion and control of all property and facilities will remain with the Library Board of Trustees.
